

Center for
Children's Advocacy

Fighting For The Legal Rights Of Connecticut's Most Vulnerable Children.

Special Education 101

October 27, 12-1pm

This training is for parents, caregivers & families who want to learn about special education rights in CT. Free and open to families. Our goal is to give families practical information they can use to advocate for the services, opportunities, and supports their children need.

This training is virtual – an event link will be shared after registering online with this QR code
